S I R :

Annexed hereto are copies of publications listed in the above-identified application.

The relevance of these documents is discussed on pages 5-7 of the specification.

These publications are also listed in the enclosed Forms PTO/SB/08A and PTO/SB/08B. It is requested that the publications be considered with respect to the patentability of the present invention and that an initialed copy of the enclosed Forms PTO/SB/08A and PTO/SB/08B be returned to applicants to indicate that such publications have been considered and made "of record."

The enclosed Form PTO/SB/08A also lists a related corresponding application. Since this document exists in the inventory of patent applications of the USPTO's image file wrapper (IFW) system, a copy of the document is not required in accordance with the Patent Office Waiver.

Consideration of the co-pending application is requested.

A first action on the merits has not yet been received in this application. Therefore, no fee is required. However, if it is determined that a fee is required, authorization is given to charge any additional fees to Deposit Account No. 06-1378.
